Scarff's Guarantee

We guarantee all Nursery Stock to be true to name, in good planting condition, up to grade and specifications. If your order arrives otherwise or in damaged condition, please report immediately to carrier and to us.

The growth of plants and trees is largely dependent upon the conditions of planting, weather and after care beyond the Nurseryman's control. Nevertheless, we will guarantee that all stock (except living Christmas trees), if properly planted, will establish itself and start satisfactory growth.

Full replacement will be made if report is made by July 1 of the first growing season. Later reports the same season will be replaced at one half price.

Scarff's Nursery Incorporated will not be liable under any circumstances for more than the original purchase price.
